

Images of Forgiveness Entry

Hawai'i Forgiveness Project

Thank you for submitting an entry to the Images of Forgiveness Awards! Your participation will enrich everyone who attends the event this year, and all who see and hear about it through the press and this website, worldwide.

We hope that your participation will benefit you too, both personally and professionally. Our commitment is to highlight the winning images to the maximum possible audience, and to treat your creative work with the highest respect. Awards will be presented personally at Hawai'i International Forgiveness Day, the first Sunday in August.
