

## Hawai'i Forgiveness Project Weaving a Ti-Leaf Lei

Weaving a lei is two skills -- one inside -- thoughtfulness, attention, peace -- and one outside -- craftsmanship, dexterity. The ti-leaf lei is used to honor ali'i and others of high respect.

Lei are given on many occasions. To honor Queen Lili'uokalani, we work with purpose and focus -- to bring both heart, mind and hands to one effort, creating lei for her, commemorating her leadership, and love of the land and her people that continues to this day.

At Forgiveness Day 2013, we began making ti-leaf lei in honor of the great peacemaker of Hawai'i, Queen Lili'uokalani -- with plenty of ti leaves, and kupuna to teach how.

Lei-making in honor of Queen Lilli'uokalani is taking place at the following locations on O'ahu:
